

Proposed changes to the tendered bus service network in Preston, South Ribble and Chorley

Background

Lancashire County Council is proposing to expand the bus network it supports across Preston, South Ribble and Chorley to improve services and create new public transport links within the area.

Timescales

The changes to services are due to take place on 31 March 2025 in line with new contracts for operating the services. We would like to make sure the changes to timetables work well for existing passengers – if you would like to give us your feedback please email bsip@lancashire.gov.uk by Monday 20 January.

Summary of changes

The bus services affected by the changes are:

Service 12 (Preston – Longton)

Service 111 (Preston – Wigan)

Service 112 (Preston – Croston)

Service 114 (Chorley – Leyland)

Service 117 & 118 (Chorley local services)

Service 119 (Preston – Chorley)
